How to Access Online Library Resources at Bow Valley College

Go to bowvalleycollege.ca/library to search the online catalogue:

- Over 180,000 e-books
- Almost 20,000 streaming videos & DVDs
- Over 70 subscription-based databases
- A discovery service platform that acts as a "search engine" across multiple resources
- Personal user account features across individual databases that allow you to:
  - save and organize search results in folders
  - share folders between users
  - reorganize film segments into playlists
  - generate references in APA and other citation styles

Or click eResources below the catalogue for direct links to access the library’s online resources by subject or format.

Open LLC Databases to access the A-Z list of over 70 subscription websites with millions of articles in academic and trade journals, research reports, books, and videos.

Use the Full-Text Finder to browse or search for available journals, publications, and e-books by title or subject.
